

An aerial photograph of a golf course. The central focus is a large, well-maintained fairway with distinct mowed stripes. The fairway is bordered by numerous trees, including tall pines and deciduous varieties. A light-colored path or road curves through the landscape. In the background, more of the golf course and a dense forest are visible under a clear sky. The overall scene is lush and green.

# Golfclub Princenbosch

Onkruid proef fairway C8

# Inhoud van de proef

- De proef bestaat uit 108 vakken van 2,10m x 2,10m
- Wat is het doel van deze proef
- Wat wordt er gemeten
- Waarmee wordt er gemeten
- Welke meststoffen
- Wat voor graszaad gebruiken we

Doorzaai met Kentucky blue (Veldbeemd)

# Toepassen van de meststoffen

- Het tellen van de onkruiden en diverse metingen

An aerial photograph of a golf course during the golden hour of sunset. The scene is dominated by a large, winding water hazard that meanders through the green fairways. Several sand traps are visible on the left side of the course. The surrounding landscape is lush with trees, many of which have turned vibrant shades of orange and red, indicating autumn. In the background, a line of trees separates the golf course from a residential area with several houses and buildings. The sun is low on the horizon to the right, casting a warm, golden glow over the entire scene and creating long shadows across the grass.
